

Youth and Family Minister at St. Timothy's Episcopal Church

About Us

St. Timothy's Episcopal Church (www.stimothy.org) in Lake Jackson, Texas is seeking a full-time minister to lead our youth and small-group ministries as well as to provide support for our children's Sunday School programs. We are a Christ-centered pastoral-sized congregation that loves the Lord. We have a very strong affinity for the arts - choral performance, theater and symphony. We love to have fun together and people tell us we are a very friendly and welcoming congregation. We are kid-friendly as well as multi-generational, so it is not uncommon to find kids, young parents, middle-aged and older members all serving, learning and having fun side-by-side. This unordained position reports to the Rector and will oversee a group of lay teachers, parent volunteers and other lay leaders.
