

Episcopal Hymnal Resources // One License SKUs

compiled by [The Hymn Planner](#)

Welcome!

UPDATE SEPTEMBER 2021

At some point in early 2021, many of the SKUs (about half by my rough estimation) in this spreadsheet changed in One License, and despite having manually rechecked all listings in July, some appear to still be changing.

Thank you to the many people who have alerted me to discrepancies – if you spot a problem or find an SKU for something that was marked as not in the database, please leave a comment on the cell of the relevant hymn and I will correct it as soon as possible.

Thank you for your understanding!

This spreadsheet represents an attempt to streamline, as much as possible, locating hymns and service music in Episcopal hymnals for reporting in the One License system.

Once you have found a hymn in the sheet that you wish to report, simply **copy the SKU(s) one at a time into the search field in One License** and then follow the reporting procedure. Because a number of duplicate SKUs were found in the process of compiling this sheet, and because there are some grey areas in which you may want to use your own best judgment, **using the batch SKU reporting feature in One License is not recommended.**

For each hymn there are two columns of SKUs: one for the music and the other for the words.

Below is a key to this information:

(Public domain)	Work which appears to be in the public domain, and therefore reporting is not necessary
(Included in music)	The SKU in the music column contains information on both the words and music, so only that SKU needs to be reported
00001	The SKU for the words/music – to find in the OL database, copy/paste this (usually a 5-digit number) into the search box in OL
(Not in OL database)	Based on the copyright information in the hymnal, this listing could not be definitely located in the One License database

Click on the links that appear in when hovering over the cells below (or the tabs on the bottom of the window) for information on the following hymnals:

[The Hymnal 1982](#) (hymns)

[The Hymnal 1982](#) (service music)

[Wonder, Love, and Praise](#)

[Lift Every Voice and Sing II](#)

[Voices Found](#)

NOTE:

This is a working draft and may not yet take into account all material that has entered the public domain since the hymnal was published.

This is meant for informational purposes and is not a substitute for a normal process of copyright reporting and due diligence, nor is there a guarantee of accuracy. Please leave a comment if you spot any mistakes!

This document was not created or endorsed by One License LLC or Church Publishing, Inc., and all information was compiled via manual searches using the public search tool on [onelicense.net](#) and occasional references to [hymnary.org](#). Information was originally accessed in July/August, 2020 and has been updated as discrepancies/changes to

WLP 721 Signs of endings all around us	97944	49500	Many mentions of this tune, referred to as EBENEZER, exist in OL, but I couldn't find any listings for just the music, so 97944 was a compromise because it credits Williams – even though it implies the tune is in PD – and the text is assumed to be in PD...n.b.
