

*They are like trees planted along a riverbank,
with roots that reach deep into the water.
Such trees are not bothered by the heat or
worried by long months of drought.
Their leaves stay green, and they never
stop producing fruit. Jeremiah 17:8*

The mission of the Spiritual Retreat in Recovery is to provide a safe place to deepen one's spiritual journey. Members of AA, NA, CA, ACA and Al Anon share their experience, strength, and hope in a community of love and support. The Rev. Brad Landry, Rector of St. Paul's in San Antonio, provides topical spiritual insight. Break out sessions focus on a variety of topics and activities. All friends in recovery are welcome. No church affiliation is required. Attendees will be treated to warm hospitality, delicious food, and thoughtful presentations in a beautiful hill country setting along the Guadalupe River.

"Recovery happens in community. At this retreat, I enjoyed the awesome presence of God through others in recovery -- and in a beautiful setting. It doesn't get any better!"
